

WE ARE GROUNDED IN CHRIST AND SENT TO BE A BLESSING

WHEN WE ARE AT OUR BEST YOU WILL SEE US:

Following Jesus as Lord and Savior.
Watching for God in everyone we meet.
Deepening our faith to strengthen our discipleship.
Equipping everyone for the work of ministry.
Serving gladly as the hands and voice of Christ.
Telling others about Jesus.
Inviting all to join in God's work.

OUR STRATEGIC PRIORITIES INCLUDE:

Spiritual growth that equips members to live out their Christian vocation throughout the week.

Caring **Christian community** that encourages authentic relationships and support for people within the life of the congregation.

Building **relationships with our neighbors** in ways that create a visible and invitational presence.

Service and justice that reflect God's desires for social, economic and environmental wholeness – both locally and globally.

Encountering God in **worship** to inspire and strengthen people for their daily lives.

Engaging **young people** to reach out to and support young adults and families with children.
