

Lowrie School Supply Drive

All members and friends of Zion are invited to help students at Lowrie Elementary School who are in need of certain supplies in order to best participate in distance learning. Bring these items to Zion any Monday or Wednesday 10 am—4pm when staff is in the building or contact Dianha who can pick them up from you before October 10. (Dianhae@gmail.com) Lowrie will then distribute all items to students in need. According to Lowrie teachers and administrators, the supplies needed at this time include:
